vi what was not established

i	the wine was not tasted. nothing in this report is a note on how it drinks.	iv	this is not a certificate of authenticity. it is a record of what was seen.
ii	the cork was not drawn. what is said of it was read through the neck glass.	v	the years before 2001 rest on the seller's own record and were not verified here.
iii	no grade was given. this house does not grade, and there is no blank here where a grade would go.	vi	the volume in the bottle was not measured; it cannot be measured without opening it.
